No Limits for Frank | REINIGUNGSGESELLSCHAFT | 2001/03 | Germany | 17:05 min

The film *No Limits for Frank* shows one day in a pensioner's life. The viewer gets to know Frank as a leisure time hero and a passionate owner of a motorized bicycle. With his very own lifestyle he is a supporter of slowing down everyday life. On a cold day in January, Frank rides his motorized bicycle for 60 kilometres from Dresden to a border town in the Czech Republic to buy a carton of cigarettes.
